- Five star luxury
- Very competitive rates – great value for money
- Less than 2h flying time from most European centres
- A new and exciting destination that is still undiscovered

## ADVENTURE

During just one day, one can enjoy cultural treasures of Kotor, go skiing in Zabljak, sunbathe on sandy beaches or go rafting in the untameable Tara.

Dive into coves of steep coast, sail in ideal Mediterranean winds, row over rapids on wooden rafts, go mountain climbing, olive picking, or fishing on lake Skadar with the locals – Montenegro is a country with endless possibilities.
